

Professional Motorsports Photography
featuring Michael Levitt, owner, LAT USA\*
6:00 – 8:00 p.m. • Wednesday, Oct. 6, 2010

Learn to capture automotive shots like a pro!

Levitt will break down the process of shooting spectacular automotive images . . . spotlighting his photographs to explain the technical elements of great photography including equipment choices, exposure, shooting technique, focusing, post production and transmission. He'll also share his experiences in working with drivers as well as the dangers of motorsports photography.

\*LAT USA is the largest motorsports photo agency in the US covering the NASCAR, IndyCar, Grand-Am and ALMS series.
